OAEVT: Safety through Education and Training

Ohio Association of Emergency Vehicle Technicians (OAEVT) is a not-for-profit organization, formed in early 1992, to serve the Emergency Vehicle Technician (EVT). EVT's are the people who face the challenge of maintaining the equipment Firefighters, Paramedics and EMTs rely on day-in and day-out under the most severe conditions. The goals of our organization are education, networking, and training. For more information go to www.oaevt.org
